## **Precinct Two Lures New Jobs**

**Precinct Two Commissioner Sylvia R. Garcia** welcomed another new business to East Harris County today as Commissioners Court approved a tax abatement to lure the company which was also considering Jacksonville and Chicago.

Preferred Freezer Services Houston Port, LLC will invest a minimum of \$10.4 million and create 35 full time jobs at the facility to be located at 10000 Porter Road in La Porte.

“Once we conducted a thorough check on the company and the way they operate, I was truly excited to welcome them as a new member of the Precinct Two business community,” Commissioner Garcia said.

In addition to a review of the company’s financial plan, the process conducted by Harris County’s Tax Abatement Program included a thorough check of the company’s environmental record.

This tax abatement enticed Preferred Freezer to locate its fifteenth cold storage facility in the nation in LaPorte. Similar facilities are in New York, New Jersey, Boston, Los Angeles, Miami, Chicago and other major cities.

The ten year agreement is effective immediately.
