Series: Criminal Records
Subseries: Criminal Dockets
Range of Dates: 1897 - 1998

Criminal Dockets dated after 1973 were sampled according to the following criteria. The sample will occur every 10 years with the first docket or bound volume of records of the sampling year. Whenever a format or a Justice of the Peace changes, the records series will be sampled. If there is a high interest case, the docket or case file will be saved whenever possible.

It is to be noted that this is not a statistically valid sample. The information from the Criminal Dockets is summarized in the annual Texas Judicial Reports created by the Texas Office of Court Administration <http://www.courts.state.tx.us/tjc/tjchome.asp>.
