

TEXAS OCCUPATIONS CODE ANN. §1704.163)

§1704.163(b) ATTORNEY EXEMPTION

(a) Except as provided by this section, a person may execute a bail bond or act as a surety for another person in any county in this state if the person:

(1) is licensed to practice law in this state; and

(2) at the time the bond is executed or the person acts as a surety, files a notice of appearance as counsel of records in the criminal case for with the bond was executed or surety provided or submits proof that the person has previously filed with the court in which the criminal case is pending the notice of appearance as counsel of record.

(b) A person executing a bail bond or acting as a surety under this section may not engage in conduct involved with that practice that would subject a bail bond surety to license suspension or revocation. If the board determines that a person has violated this subsection, the board may suspend or revoke the person's authorization to post a bond under this section or may bar the person from executing a bail bond or acting as a surety under this section until the person has remedied the violation.

(c) A person executing a bail bond or acting as a surety under this section is not relieved of liability on the bond solely because the person is later replaced as attorney of record in the criminal case.
